

Parent's Guide To Special Education

This guide was created to provide parents with a basic understanding of key rights in special education. The information presented here is not legal advice and should not be used as such. Rhode Island Legal Services welcomes and permits the duplication and distribution of this guide so long as this is done free of charge and with RILS attribution. No part of this guide may be altered without permission.

Revised by Veronika Kot, Esq., with Janne Reisch, Esq.
