Courts

The Rhode Island Courts have a [new MULTI-LINGUAL web site](#). It includes a lot of useful information for court users. Below you'll find links to some of the most helpful pages on the new court site.

[Directory of Court Justices](#) - Names, Court assignment, and Court Addresses for each judge and magistrate in the Rhode Island State Judicial System.

[Court Information](#) - Directions to various court complexes and parking information for Providence area courts.

[Court Organizational Chart](#) - What the Rhode Island Court System looks like.

[Jury Service Handbook](#) - Helpful information for those asked to serve on juries.

[Adult Criminal Information Database](#) - Available information from the public files on persons arrested within the State of Rhode Island.

[Appellate Mediation Program](#) - Mediation is an alternative dispute resolution procedure which seeks to settle disagreements outside of the courtroom by means other than litigation.
